### Nuform 456

#### For Summer Wear

FOR well developed figures, is a reverse gore model. The gore lines run backwards, construction which restrains undue development below the back. Medium high bust, long hips and extra long back. Made of an excellent quality of white batiste, trimmed with lace and ribbon. Hose supporters front and sides.

Sizes 18 to 30.

Price \$2.00

### The W. B. Reduso Corset

Is a boon for large women—the ideal garment for over-developed figures requiring special restraint. It not only restrains the tendency to over-bustness, but it moulds the over-developed proportions into those pleasing, graceful outlines, hitherto thought to be attainable only by slighter figures. The particular feature of this model is the apron over the abdomen and hips, hooded in such a manner as to give the wearer absolute freedom of movement.

**Reduso Style 750 for tall well-developed figures.** Made of a durable coutil in white or drab. Hose supporters front and sides. Sizes 22 to 36. **Price, \$3.**

**Reduso Style 760 for short well-developed figures.** Made of white and drab coutil. Hose supporters front and sides. Sizes 24 to 36. **Price, \$3.**
